Hi {FirstName},

**HOW DOES YOUR WORK SCHEDULE IMPACT YOUR LIFE?**

We’re working with Dr. Jill Esbenshade, an SDSU sociology professor, and her graduate research class to document workplace scheduling practices.

Through this survey and the ensuing report we seek to improve our understanding of the impact of these practices on workers with the hope that this research will inform policies to address scheduling issues in San Diego County.

If you work in retail, a restaurant, a hotel or a grocery store, your participation would be extremely helpful—and anonymous. And at the end of the survey, you can enter into a lottery to win one of 10 $50 gift cards! If you don’t work at any of these places, please forward this to someone who does. The survey closes April 12.

**CITY BUDGET WEEK OF ACTION**

There's still time to take action and urge the San Diego Mayor to prioritize low-income, communities of color and overburdened communities in his proposed budget for fiscal year 2020, to be released by April 12.

In this Week of Action we want to make sure he prioritizes:

- Protecting tenants' rights
- Protecting workers' rights, good jobs and fighting wage theft
• Renovating the Emerald Hills Park in Southeast San Diego
• Fighting for community-led boards, commissions and translation services at community planning groups
• Fighting for transportation equity
• Implementing the Climate Action Plan with an environmental justice focus

Help us take action by:

1. Contacting Mayor Faulconer at (619) 236-6330 and kevinfaulconer@sandiego.gov.
2. Resharing videos and infographics on the CBA Facebook page @CommunityBudgetAlliance (don't forget to like our page)

JIM & KELLY’S SEJ SPRING FUNDRAISER
It's that time of year again! The time when the extraordinary Kelly Mayhew and Jim Miller generously open the doors to their beautiful Golden Hill home to welcome our incoming class of Students for Economic Justice. And YOU are invited!

In our SEJ Fellowship our passions for education and for economic, social, racial and environmental justice combine, creating a unique pipeline for students to be at the forefront of community and labor organizing in San Diego and beyond.

We hope you can join us for the Students for Economic Justice spring fundraiser on Friday, April 26 from 5:30 to 8 p.m.
